

Seat Belts Now Required for NH Teens!

- Effective August 18, 1997, everyone under 18 years old must be properly belted.
- Children under 4 years old must use an approved child passenger safety seat.
- Safety advocates anticipate that this strengthened law will save 8 to 9 lives per year.
- Teens, parents, police, and others concerned about the safety of our young people are needed to help get everyone to Buckle Up.
